Section 1232(f), and provide access to those records, as the State agency or board or the Secretary deem necessary to perform their duties;
- 5. The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each program;

  - a. The provision of wraparound services (which could be provided in collaboration with and/or through contracts with community-based organizations, and could include academic supports, trauma-informed care, social-emotional support, and mental health services);
  - b. The provision of needed supplies [e.g., personal protective equipment (PPE), eyeglasses, school supplies, personal care items];
  - c. The provision of transportation to enable children and youth to attend classes and participate fully in school activities;
  - d. The purchase of cell phones or other technological devices for unaccompanied youth to enable the youth to attend and fully participate in school activities;

  - g. The provision of store cards/prepaid debit cards to purchase materials necessary for students to participate in school activities.

- 3. Under 42 U.S.C. Section 723(d), LEAs must ensure that all costs are reasonable and necessary and that these uses of funds align with the purpose of, and other requirements in, the McKinney-Vento Act.
- 4. The LEA will comply with, all reporting requirements at such time and in such manner and containing such information as the Secretary may reasonably require, including but not limited to the requirements under McKinney-Vento Act, and including but not limited to numbers of students experiencing homelessness identified and supported through ARP-HCY II funding, and specific details about supports and services received by students.

  - a. Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction;
  - b. Implementing evidence-based activities to meet the comprehensive needs of students;
- 8. If your LEA does not meet the minimum formula amount of \$5,000, then your LEA is required to join a consortium with your county office of education (COE) or with LEAs within your county that are also receiving less than the minimum formula amount. All LEAs in the consortia must comply to all of these assurances and will need to work with one another to identify, enroll, and serve children and youth experiencing homelessness. This rule encourages the use of consortia to create favorable economies of scale. The lead COE and/or LEA will be the fiscal agent and may take the appropriate indirect cost to administer funds and/or services.

Thompson Peak Charter will comply with all of the accountability, transparency, and reporting requirements that apply to the program, which the Governor has already assured.

- 2. The LEA receiving ARP-HCY II funds will comply with:
  - a. All reporting requirements. The CDE may require additional reporting in the future, which may include the uses of funds by the LEAs or other entities and demonstration of their compliance with these assurances.

- 5. The State will comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) requirements in Subpart D—Post Federal Award Requirements (2 CFR Section 200.300-345) to ensure that LEAs, including charter schools that are LEAs, are using ARP-HCY funds for purposes that are reasonable, necessary, and allocable under the ARP Act.
- 6. The State and other entities will comply with the provisions of all applicable acts, regulations and assurances; the following provisions of Education Department General Administrative Regulations (EDGAR) 34 CFR parts 76, 77, 81, 82, 84, 97, 98, and 99; the OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR Part 180, as adopted and amended as regulations of the Department in 2 CFR Part 3485; and the Uniform Guidance in 2 CFR Part 200, as adopted and amended as regulations of the Department of the Department in 2 CFR Part 3474.

# PART V: McKinney-Vento General Assurances

Thompson Peak Charter under 42 U.S.C. sections 11431-11435 assures that:

- 1. The LEA will adopt policies and practices to ensure that homeless children and youth are not stigmatized or segregated on the basis of their status as homeless.

- 3. The LEA will adopt policies and practices to ensure that transportation is provided, at the request of the parent or guardian (or in the case of an unaccompanied youth, the liaison), to and from the school of origin [as determined 42 U.S.C. Section 11431(3)], in accordance with the following, as applicable:
  - a. If the child or youth continues to live in the area served by the LEA in which the school of origin is located, the child's or youth's transportation to and from the school of origin shall be provided or arranged by the LEA in which the school of origin is located.
  - b. If the child's or youth's living arrangements in the area served by LEA of origin terminate and the child or youth, though continuing the child's or youth's education in the school of origin, begins living in an area served by another LEA, the LEA of origin and the LEA in which the child or youth is living shall agree upon a method to apportion the responsibility and costs for providing the child or youth with transportation to and from the school of origin. If the LEAs are unable to agree upon such method, the responsibility and costs for transportation shall be shared equally.
- 4. The LEA will adopt policies and practices to ensure participation by liaisons described in 42 U.S.C. Section 11432(g)(1)(J)(iv) in professional development and other technical assistance activities as determined appropriate by the Office of the Coordinator.

# DMS Monthly Update Actuals through: September 30, 2021

This report is intended to provide a financial update comparing the July Budgets with actuals through September 30th.

Cash Flow - Long Valley School is projected to the end the year with 232 days cash on hand representing 63% of annual expenditures.

Cash Flow - Thompson Peak Charter is projected to the end the year with 295 days cash on hand representing 80% of annual expenditures.

Expenditures appear to be closely aligned to July budget projections. Long Valley School projects to end the year with a budget surplus of \$235K and an ending fund balance of \$3.22M. Thompson Peak Charter projects to end the year with a budget surplus of \$340K and an ending fund balance of \$1.99M.

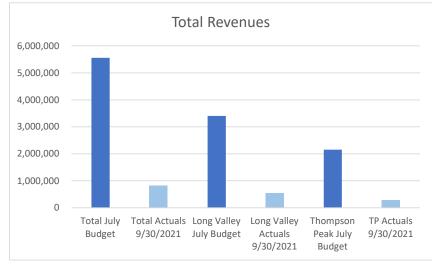

Long Valley School and Thompson Peak Charter continue to demonstrate fiscal stability and improving reserves and are projected to meet all obligations as scheduled.

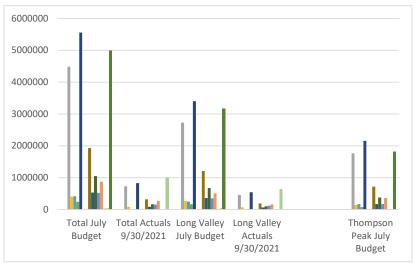

At this point with 25% of the year (3 months) completed, compensation and benefits are on track with where we would expect them to be. Of importance this month: many expense categories are "front loaded" meaning spending is heavier at the beginning of the school year. This can be noted in most especially in Materials & Supplies and Operations & Services.

It is important to keep in mind that state and federal revenues do not flow evenly throughout the year and for this reason YTD results are not a valuable measure of the financial performance.

## CA Healthy Kids Survey

The survey is in progress. The window closes on 11/19/21. This year we are asking 5<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup> and 11<sup>th</sup> grade students to take the survey, unless their parents/guardians have requested them to opt out. We have encouraged staff and parents to take the survey as well. Copies of the survey are at each location and notifications have been posted on Parent Square. We are hoping our participation increases this year.

## LVS-Doyle

\* Our staff was grateful for the additional bonus in pay they received this month. Thank you for supporting their efforts and mental health during these chaotic times.

\*On October 29<sup>th</sup>, the student council hosted our annual Fall Festival. Students and their families joined us for games, food, and fun. This year we held the festival from 3 – 5:30 on the back lawn. Funds raised during this event went to the student council funds for future events and activities. The students were very proud of their success.

\* Every Student in Mrs. Cooper's Kindergarten attended the Fall Festival. They were excited to create a bulletin board to share their first time experience and what they learned about the 5 senses. . We are very proud of their efforts and neat writing!

\*The church one of our families attends donated numerous gift cards (Visa, grocery stores, restaurants, gas, etc.) to fire victims and families in need. They were very generous. We were able to distribute these gift cards in time for the holidays. Our students and staff will be making cards to thank the church for supporting our community.

\*On November 18<sup>th</sup> and December 2<sup>nd</sup>, Lassen County Public Health will be on site providing free dental screenings and fluoride varnish (with parent permission) for students in grades K – 6<sup>th</sup>.

## Upcoming Events

- Winter Gift Shop
- Music Performance presented by Mrs. Fontana's Students (for students only no outside participation)

### November Portola Board Update

- PTSA held a meeting this month, they voted on two important items. They voted to provide snacks to students outside of breakfast time and to stock personal hygiene items.
- The building renovation is coming along really well, it has been held up waiting for the last item to be finished. We are presently waiting for the Mini-split air conditioner to be installed, there have been issues with getting them in stock. The mini-splits have finally left LA and should be here soon.
- A fall feast is being planned for December 14<sup>th</sup>. This will be a potato bar that all students and families are invited to.
